Complaints Nos. 57, 61, 63 to 78 of 1962.

Under Sec. 33A of I.D. Act, 1947.

29th August, 1966 at Nagpur

This Complaint No. 57 of 1962 was taken up along with Complaints No. 61 and 63 to 78 of 1962 which have been made analogous and are being heard together.

2. These cases were taken up for hearing at Nagpur, as informed by Order No. 7 dated 29th June, 1966 and registered notices of which were issued to both parties on 1st July, 1966. One registered notice regarding all the eighteen complaints was sent to Shri B. J. Rele, Officiating Official Liquidator attached to the High Court at Bombay and Liquidator of Hindusthan Manganese Mines Ltd., who appeared earlier and filed a petition that these eighteen complaints were not maintainable, in view of Sec. 446 of the Companies Act I of 1956, except by leave of the Court, where the liquidation proceedings were pending. The notice to Shri B. J. Rele was served on 5th July, 1966 and in response to the notice, on his

behalf, Shri Hari Prasad Mishra, Assistant Official Liquidator, Bombay appeared on 26th August, 1966 at Nagpur and filed a certified copy of the Order of winding up and appointing of official Liquidator and of appointment of Shri B. J. Rele as Liquidator of Hindusthan Manganese Mines Ltd., Opposite Party, and went back to Bombay as he had urgent business there. A notice to the eighteen complainants was sent in a registered cover to the General Secretary, Rashtriya Manganese Khadan Prantir Ramgar Sangh, as it used to be sent every time before but no one appeared on behalf of the complainants or their union. This registered notice containing a copy of order No. 7 dated 29th June, 1966 of the Tribunal informing that the case will be heard on August 29, 1966 at 10-30 A.M. in a room of Barracks of Collectorate at Nagpur was issued on 1st July, 1966 and the acknowledgement receipt came back but it does not bear the signature of Shri Gupta, the General Secretary, who used to receive the notice on previous occasions but because the registered envelope has not been returned unserved, it may, therefore, be taken for granted that the registered notice has been served on the General Secretary of the Union but by mistake his signature was not obtained on the acknowledgement receipt, and, therefore, the acknowledgement receipt was sent back without his signature.

3. It may be mentioned that on 2nd May, 1963 on the receipt of the letter of Shri B. J. Rele the Officiating Official Liquidator of the Hindusthan Manganese Mines, Opposite Party, a notice was sent on 6th May, 1963 to the General Secretary of the Union also by registered post and it was received by Shri Gupta on 10th May, 1963 as will appear from the acknowledgement receipt which is on the record but at that time also inspite of the service of the notice he did not appear on 20th March, 1963 the date fixed nor did he file any petition showing cause as to how these eighteen complaints were maintainable in view of Sec. 446 of the Companies Act, as objected to by the Official Liquidator of the Opposite Party. But at that time as the main Reference No. 6 of 1955 was stayed by the Patna High Court no order could be passed, and, therefore, the order passed by the Tribunal on 20th May, 1963 was "*put up for orders after the stay is vacated*".

4. The Writ Applications, which were pending before the Patna High Court, were withdrawn subsequently and thereby the stay was automatically vacated and, therefore, the necessary order could have been passed by the Tribunal without issuing any fresh notice to the complainants because it was clear in view of Sec. 446 of the Companies Act that these eighteen complaints were not maintainable in law but still I gave another opportunity to the complainants to show cause, if they so wanted, or to obtain leave of the Bombay High Court to proceed with these complaints, but nothing was done. On repeated calls no one responded.

5. For the reasons given above, therefore, I hold that these eighteen complaints—Complaints Nos. 57, 61 and 63 to 78 of 1962—are not maintainable, and, therefore, they are rejected. There will be no order for cost as the complainants or their union have not appeared to support their complaints nor the opposite party is represented today which is the date of hearing of the case.

6. This is the award which I make and submit to the Central Government under Section 15 of the Act.

AWARD

This complaint under Section 33A of the Industrial Disputes Act, 1947, (herein after referred to as 'the Act'), was made on 9th January, 1963, by Shri Ramchand Bala Wuike, Worker at Mansar Talao Mine, in Reference No. 6 of 1955, complaining against the action of the management opposite party in dismissing him *mala fide*, arbitrarily and illegally.

2. The management opposite party on 27th March, 1963, filed a rejoinder in which they said that this Tribunal has no jurisdiction to try the complaint because Reference No. 6 of 1955 in which the present complaint had been filed came to an end on the termination of the services of Shri Bindra and thereafter this Tribunal has no jurisdiction; that it is not correct that the complainant was not given fair opportunity at the domestic enquiry, and, therefore, he could not bring his witness for his defence in as much as the notice fixing enquiry for 17th September, 1962, was issued on 31st August, 1962, and thus the complainant had more than 15 days at his disposal to arrange his defence witness; that the witnesses examined by the management no doubt were employees of the company but were closely associated with the said mine and, therefore no third parties or outsider could be produced as witness; that it was not correct that the proceedings were not correctly recorded and the statements of witness were not correctly reproduced; that moreover no such objection was raised during the enquiry by the complainant although he was himself present and even in his representation before the Conciliation Officer (C) on 19th October, 1962, he has not raised this point, and, therefore, it is obviously an afterthought; that, therefore, the dismissal of the complainant was legal and in accordance with the Standing Orders of the Company and as such the complainant was not entitled to any relief.

3. The case was fixed for hearing on 30th August, 1966, at Nagpur. S/Shri N. H. Kumbhare, Advocate, and, W. D. Sagadeo, General Secretary of the Union, appeared for the complainant and S/Shri B. A. Udhoji, Advocate, and S. G. Kanungo, Agent of the Company appeared for the management opposite party.

4. On behalf of the management documents were filed which were marked Exts. M to M 24 and out of these documents Exts M 18 to M 23 are the original domestic enquiry papers and Ext. M 24 is a true copy of the enquiry report which was retained and the original was returned after seeing it. The complainant did not file any document. None of the parties examined any witness, but orally presented arguments in support of their respective cases. On behalf of the complainant, although not asked by the Tribunal, written arguments were filed on 30th August, 1966, which are on the record, after arguments had been concluded and award had been reserved.

Preliminary objection

5. As regards the objection taken by the management it is not correct to say that this Tribunal has no jurisdiction to try Reference No. 6 of 1955 as it is not pending. The present complaint was filed before me on 9th January, 1963, during the pendency of Reference No. 6 of 1955, and, therefore, this Tribunal has complete jurisdiction to try this complaint. I may however mention that Shri P. S. Bindra was the Presiding Officer of this Tribunal before and after him Shri G. Palit was appointed to dispose of all the industrial disputes under Section 8 of the Act from the stage at which they were left. Shri G. Palit suddenly died in January, 1961, and in his place Shri Salim M. Merchant was appointed Presiding Officer of this Tribunal who then took up Reference No. 6 of 1955 and before him

this preliminary objection, which is taken now before me, was taken and he in a very considered judgement after mentioning the entire history of the case rejected the preliminary objection and held that he has jurisdiction to try the dispute. Against that order the management filed a Writ petition from one High Court to another and ultimately went to the Patna High Court where two Writ Applications were admitted and further proceedings in Ref. No. 6 of 1955 were stayed. Only recently those Writ Applications were withdrawn by both the parties and at the instance of both the parties Reference No. 6 of 1955 was referred for arbitration to the then Labour Minister Shri D. Sanjivayya, who, however, as he has informed me refused to arbitrate and has now referred the matter to the Chief Labour Commissioner, Government of India, for bringing about settlement of the dispute and, therefore, the matter is pending before him. I have seen a letter written by the Chief Labour Commissioner to Shri Kumbhare representing the workmen in that Reference from which it appears that he will take up the matter next month. For these reasons, there is no doubt that this Tribunal has jurisdiction to decide the complaint. Moreover, this objection having been once determined by this Tribunal and impliedly affirmed by the Patna High Court, it is binding on both the parties and it is not now open to the management to re-agitate the same point. Unfortunately, the management have not filed copies of the said judgements of any Court. As far as the Tribunal is concerned, as it has come on tour and Reference No. 6 of 1955 was not fixed for hearing, the records of the Reference are not with the Tribunal here and as such it is not possible to give the precise date of the order of Shri Salim M. Merchant. I have, however, read that order, and, therefore, I can say that there is no substance in the present objection and accordingly it is rejected.

6. I may here mention that as on behalf of the management no objection to the maintainability of the complaint was raised on the ground that there has been no contravention by them of the provisions of Section 33 of the Act as alleged and in the manner alleged by the Complainant, I do not think it is necessary to deal with that question, and, therefore, I assume that there has been a contravention of Section 33 of the Act which entitled the complainant to make the present complaint under Section 33A of the Act.

On merits

7. It appears from the chargesheet Ext. M 5 that the complainant was charged in respect of four items which are mentioned therein to which the complainant replied and his reply is Ext. M. 6. It further appears from Ext. M. 7 that the management gave a notice to the complainant showing on which days, which were 20 days in all, he was absent without leave in the different months. This Ext. M. 7 was denied by the complainant by a written reply sent by him which is Ext. M. 8. Enquiry was held in presence of the complainant on 17th September, 1962, when five witnesses on behalf of the management were examined, but the complainant did not examine any defence witness. The Standing Orders of the company as certified are Ext. M. 17. The witnesses examined on behalf of the management were Shri Dayalal Ishwarlal Joshi, Manager Ext. M. 19; Shri Gangadhar Jagoda Arbhi, Attendance Clerk Ext. M. 20; Shri Shankarrao Bhalerao, Manager of the Mine Ext. M. 21; Shri Raghubir Singh, Manager Mansar Talao Mine Ext. M. 22; Shri Ganpati Shankarrao Pathak, Foreman, Ext. M. 23; and, the enquiry report is dated 18th September, 1962, of Shri P. B. Bisen, Agent and General Manager of the company who held the enquiry and it is Ext. M. 24 who found all the charges proved against the complainant and dismissed him from service.

8. On the above enquiry papers, the arguments presented by Shri Kumbhare, Advocate, on behalf of the complainant, are: (a) that it is surprising that although the complainant was present at the enquiry, none of the depositions of the witnesses for the management bear the signature or thumb mark of the complainant which could have shown their genuineness, and, therefore, the absence of his signature or thumb mark throws great suspicion on the genuineness of those statements; (b) that the complainant was not given sufficient opportunity to produce defence witness although asked for orally, and, therefore, he has been denied the elementary principle of natural justice; (c) that from the enquiry report it will appear that in the report there is no discussion of the evidence of the witnesses of the management nor there is anything to show how, and by which witness, the different charges are proved, but only the four charges are mentioned, except in respect of charge No. (d) it is mentioned in para 4(d) that it is proved by witnesses Shri Gangadhar and Shri Raghubir Singh, and, therefore, this enquiry report is also not proper; (d) that as the complainant was an office bearer of the union, being Secretary, he has been victimised by the management as reported by the union to the Conciliation Office (Central) as will appear from Ext. M. 10(a).

9. The above infirmities are there and over and above them, I find that after the examination of the witnesses of the management the statement of the complainant was not recorded and he was given no opportunity to explain the circumstances appearing against him in the evidence of those witnesses. It is a matter of ordinary common sense that when the complainant was not represented by any union or a Lawyer in order to ensure that the statements recorded by the Enquiry Officer had been correctly recorded, the Enquiry Officer should have taken the thumb impression of the complainant on those depositions so that subsequently it could not be said that those depositions which have been filed were not the correct depositions of the witness. The ordinary precaution however was not taken although the enquiry was held by the Agent and the General Manager himself. In my opinion, in such circumstances, the grievances of the complainant are justified and it cannot be said that the suspicion of the complainant has no basis. Then again, the Enquiry Officer should have given time to the complainant to bring his defence witness even when orally asked and even when no written application was made before him. The complainant should be remembered, was an illiterate person, and, therefore, no advantage should have been taken of his illiteracy and helplessness in depriving him of his right. On the other hand, the fact that he has no other person to defend was all the more reason why the Enquiry Officer should have given him an opportunity by adjourning the enquiry to bring his defence witness. The fact that the complainant made no grievance of it before the Enquiry Officer in writing or before the Conciliation Officer (C) is no ground for ignoring this obvious fact, and, therefore, the Tribunal cannot shut its eyes to this obvious fact. This omission on the part of the Enquiry Officer has very much prejudiced the complainant. It has not been denied that the complainant is not an office bearer being the Secretary of the union. I am, therefore, not surprised if for that reason he is punished to show a lesson to the other workers in order to demonstrate to them the might of the management. For these reasons, I am not satisfied that the enquiry, although held by the Agent and the Manager of the Mines, was at all fair and proper and in accordance with the principles of natural justice, and, therefore, due to the infirmities pointed out above, I hold the enquiry to be invalid and therefore it is rejected.

10. After having rejected the enquiry, there is no other evidence except the enquiry papers which have been referred to and filed, on which finding could be based but as I have said that I am unable to base any finding on the statements of the five witnesses *Exts. M. 19, M. 20, M. 21, M. 22 and M. 23*, when their statements are not signed by the complainant and further when after their statements the complainant's statement was not recorded and he was given no chance to explain the circumstances appearing against him in the deposition of those witnesses. The result, therefore, is that there is no evidence to prove the charges as mentioned in the chargesheet *Ext. M. 5*, and as such I hold that the misconduct of the complainant has not been proved and, therefore, he must be given the benefit of doubt and acquitted of all those charges for want of reliable evidence on behalf of the management.

11. For the reasons given above, therefore, I allow the complaint, set aside the dismissal of the complainant Shri Ramchand Bala Wuike and reinstate him to his previous job at Mansar Talao Mine of the opposite party with effect from 18th September, 1962, when he was dismissed, with full back wages from 18th September, 1962, when he was dismissed, till the date of his reinstatement with all other monetary benefits, etc., and continuity of service.

12. This award must be implemented within one month from the date the award becomes enforceable under Section 17A of the Act from the date of the publication of the award under Section 17 of the Act.

13. This is the award which I make and submit to the Central Government under Section 15 of the Act.

Presiding Officer.

APPEARANCES:

STATE: West Bengal.

INDUSTRY: Railways.

AWARD

The Government of India, Ministry of Labour, Employment and Rehabilitation, Department of Labour and Employment, by their Order No. 2/3/66/LRIV, dated 25th March, 1966, referred the industrial dispute existing between the employers in relation to the Martin's Light Railways and their workmen in respect of the following matters for adjudication to this Tribunal. The matters referred to adjudication were:

1. Whether the action of the management of the Martin's Light Railways, Calcutta in removing from service of Shri Ramdas Singh, Chowkidar, with effect from the 25th October, 1965 was justified?

2. If not, to what relief is the workman entitled?

2. In response to notices issued by the Tribunal, both parties filed their written statements. Before, however, the matter could be fixed for hearing, the parties sent a joint application with a joint memorandum of compromise (appended herewith) stating that they had settled the matter amicably and that the Tribunal should accept the same and pass an award in terms thereof. This application was received by post. So, notices were issued to parties calling upon them to appear before the Tribunal to admit the compromise. Accordingly, the parties were present to-day and they have admitted the compromise before me.

3. The dispute relates to the removal from service of a workman named Shri Ramdas Singh, Chowkidar, from 25th October, 1965. Under the terms of settlement, it was agreed that he was to be reinstated in his previous post with continuity of service and that the period between the date of his discharge and his reinstatement was to be treated as special leave without pay. I am also told that the workman has actually been reinstated now and has joined his duties. In my opinion, the above compromise is fair and reasonable and I accept it.

I pass an award in terms thereof.

Calcutta,

The 14th September 1966.
